

Competitive Pistol Program:

The following matches will be open to any individual upon the payment of a range fee of 50 cents per individual for each event, or \$2.00 for day's firing at each Buddy Team Match.

All firing will be conducted in compliance with National Rifle Association rules.

Prizes:

In view of the fact that medals are unobtainable and the Association is reluctant to re-introduce the practice of cash awards, entry fees have been reduced to the actual cost of the conducting of the tournament, so the prizes must be confined to the awarding of trophies. However, a permanent record of this tournament will be maintained, and all competitors will be eligible to obtain medals for places won, at actual cost, whenever it is possible to purchase them.
