

# SMALLBORE RIFLE DIVISION

## COMPETITIVE "FOUR-POSITION" RIFLE PROGRAM:

Because of the present great interest in smallbore rifle shooting, and the certain tremendous increase in number of participants when the war is won, the POLICE ATHLETIC ASSOCIATION has arranged for the inception in its outdoor program this year of four Rifle Matches and one combined Rifle Tournament and Barbecue similar to the one so successfully conducted last year. Co-operating with the Association in sponsoring this rifle activity are The Puget Sound Riflemen's Council and the Seattle War Athletic Council. By popular request, a four-position, forty-shot match at fifty yards has been selected.
